

# Dirty Little Secret

Written by Jim Robertson in Sept 2010  
Key: D Tempo: 138 bpm

This is the first song I wrote on a guitar (as opposed to piano) in a long time. Written on Sat and Sun, Oct 23 and 24, 2010. Inspired by seeing The Wooden Birds perform on the outdoor stage at the US Open a few weeks prior.

D G(add12)  
D G(add12)

I've got a dirty little secret / The kind you don't get over  
Yes, I'm gonna repeat it / Over and over

{mini guitar lead}

I've got a younger brother / Never had a sister  
But one way or another / I already miss her

CHORUS:

Em(add 10) C(add12)  
One day at a time / Take it a day at a time  
D G(add12)  
Until I head on back / to you

SOLO OVER Em(add10) C(add12) D G(add12)

D G(add12)  
D G(add12)

I've got a dirty little secret / And yes, I'm kind of restless  
You've got me running in circles / Throw out those dresses

Em(add10) C(add12)  
Not gonna regret it / Just put my head in the oven  
D G(add12)  
Until I head on back / to you.

Em(add10) G(add12)  
Not gonna let you down / Not gonna let you down  
Em(add10) G(add12)  
I've already let you / down
