LATESIDE

Copyright Sept 2010 by Jim Robertson

```
Bm                  A+f# (a c# f#)   Bm          Bm
Fortune favors the brave / That's what we always said

Bm                  A+f# (a c# f#)   G           G
Suspended in this macabre masquerade

Bm                  A+f# (a c# f#)   Bm          Bm
No rest for the wicked / No roses for the dead

Bm                  A+f# (a c# f#)   G           G
We have to lie in the bed we made

Em                      F#        F#maj7             Bm
I'll see you on the lateside / Just a little matter of suicide

Em              F#          Em                  Em
Only a few more hours / 'til sunrise
```
